NOTE:

- CII and CIII courses provide excellent foundations into both VET and Higher Ed training pathways.
 - These nationally accredited courses can contribute to SACE completion and application to university courses.
- School students should talk with their careers counsellor to find out which study options are available and best suited to them.
- A CIV course is the minimum certificate recognised to provide students with a direct pathway to university studies.
- * Indicates National Training package code.
- VET is Vocational Education and Training.
- ATAR [Australian Tertiary Admissions Rank] is based on rank, not performance.
- Have questions? Contact learn@rsp.com.au or visit rspedu.com.
